2020 SPH READS

THERE GOES THE NEIGHBORHOOD

HOW COMMUNITIES OVERCOME PREJUDICE AND MEET THE CHALLENGE OF AMERICAN IMMIGRATION

SEP 9

#SPHReads

FEATURED SPEAKER

Ali Noorani, SPH '99

PRESIDENT AND CHIEF EXECUTIVE OFFICER, NATIONAL IMMIGRATION FORUM

Ali Noorani is President & Chief Executive Officer of the National Immigration Forum, a nonpartisan advocacy organization working with faith, law enforcement and business leaders to promote the value of immigrants and immigration. Growing up in California as the son of Pakistani immigrants, Ali quickly learned how to forge alliances among people of wide-ranging backgrounds, a skill that has served him extraordinarily well as one of the nation's most innovative coalition builders.

Ali provides a principled and reasoned voice on immigration policy and politics, and has appeared on Fox News, CNN, MSNBC, NBC News, ABC News, PBS NewsHour and various radio and local news programs. He has been quoted on the pages of most of the nation's major dailies and is a regular speaker at conferences and campuses across the country.

Ali is an Emerson Dial Fellow, a member of the Council on Foreign Relations, holds a Master's in Public Health from Boston University and is a graduate of the University of California, Berkeley. Ali lives in Washington, D.C., and is the author of "There Goes the Neighborhood: How Communities Overcome Prejudice and Meet the Challenge of American Immigration," (Prometheus, April 2017) and host of the "Only in America" podcast.

Since 2015, SPH Reads, a school-wide reading program, has facilitated classroom and community-wide conversation by encouraging critical thought around chosen books. The 2020 book selection is "There Goes the Neighborhood: How Communities Overcome Prejudice and Meet the Challenge of American Immigration" by Ali Noorani, an SPH alum and the executive director of the National Immigration Forum. On Wednesday, September 9, Ali will join SPH for a community discussion about his book and the intersection of immigration and public health.
