Join @BUSPH on March 17 for our Annual Bicknell Lecture, "Tackling Climate Change: Mitigation or Adaptation?" Leading climate and health experts will explore how to move forward with addressing the global challenge of #climatechange. #SPHConversations <http://bit.ly/3pex0Jc>

The global community must move quickly to avoid the worst impacts of #climatechange, but there is no "one size fits all" solution. Join @BUSPH on March 17 to explore solutions with leading climate & health experts. #SPHConversations Join the conversation: <http://bit.ly/3pex0Jc>

On March 17, @rkyte365, @DrShepherd2013, Anne Simpson of @CalPERS, and @madthomson will join @BUSPH for a conversation on #climatechange and how to address this pressing global challenge. Moderated by @gwellenius. #SPHConversations Join the conversation: <http://bit.ly/3pex0Jc>

Should future efforts to tackle #climatechange focus on large-scale mitigation? Or do we need more research? Explore these questions and more on March 17 at @BUSPH's Annual Bicknell Lecture. #SPHConversations Learn more and register to join here: <http://bit.ly/3pex0Jc>
