Join the Boston University School of Public Health and the Boston University Center for Antiracist Research on April 7 for the third and final part of the series on antiracism as health policy. This final panel discussion will explore data-informed antiracist policy solutions, and will open with a conversation between Dr. Ibram X. Kendi, director of the Center for Antiracist Research, and Senator Elizabeth Warren. Join the conversation: <http://bit.ly/3b5CMnY>

Boston University School of Public Health leads provocative and thoughtful conversations in its mission to improve the health of local, national, and international populations, particularly the disadvantaged, underserved, and vulnerable, through excellence and innovation in education, research, and service.

THINK. TEACH. DO. FOR THE HEALTH OF ALL.
