## FACEBOOK/LINKEDIN

Since 2015, SPH Reads, a schoolwide reading program, has facilitated classroom and community-wide conversation by encouraging critical thought around chosen books. The 2021 book selection is "WASTE: One Woman's Fight Against America's Dirty Secret" by Catherine Coleman Flowers. On Thursday, September 9, Flowers will join SPH for a community discussion about her book. Register here: <https://bit.ly/SPHReads21>

On Thursday, September 9, Catherine Coleman Flowers, environmental and climate justice activist and author, will join SPH to discuss her book "WASTE: One Woman's Fight Against America's Dirty Secret" in this year's installment of our SPH Reads series. Barbara Moran of WBUR will moderate. Join the online conversation here: <https://bit.ly/SPHReads21>

Boston University School of Public Health leads provocative and thoughtful conversations in its mission to improve the health of local, national, and international populations, particularly the disadvantaged, underserved, and vulnerable, through excellence and innovation in education, research, and service.

**THINK. TEACH. DO. FOR THE HEALTH OF ALL.**
